Are your church clients traveling abroad?

Don't leave their medical care to chance! Many international travelers assume that they will be covered for illnesses and injuries while abroad. The truth is, their domestic plans may not travel with them.

Products include:

Outreach Travel Medical InsuranceSM

Two plans that provide coverage from 10 days up to two years for missionaries traveling outside their country of citizenship

MP+International®

Offers long-term, worldwide medical coverage for mission groups of two or more.
